

# Self-serve checkouts can provide a CONTACTLESS shopping experience

Successful retailers innovate to grow sales and embrace technology to lower costs.

Wages are the largest expense in retail, to control wages effectively you need to utilise the tools that the latest Worldsmart Self-serve checkout technology provides you.

- Provide your customers with the choice of CONTACTLESS shopping
- Sleek new modern designs
- Improved Fresh PLU look ups
- Smaller footprint
- Flexible designs- (multiple bags, left or right orientation)
- Any combination possible • Installation & training included
- 12 month onsite warranty included (extended 5 year warranty available)
- Self-serve checkouts don't call in sick
- Simplifying rostering and labour scheduling time

**4 x EFT Self  
checkouts for the  
cost of just 2 Labour  
hours per day**

**Order now to claim the instant  
tax write off on depreciable  
assets up to 150K**

**Above all else, a Self-serve checkout can be open ALL day for less than the cost of a labour hour\***

\*labour rate based on General Retail Industry Award 2020

**To avoid disappointment and take advantage of the government stimulus incentive prior to June 30, 2020 contact our team today!**
